## PROFESSIONAL EXPERIENCE

**MIG Cleaning Organization – Ypsilanti, MI** *Founder & Owner · June 2025 – Current*

- Founded and operate a residential cleaning business, managing client relationships, scheduling, pricing, and overall service quality.
- Built and maintain the company website and coordinate a small team of subcontractors to deliver consistent, on-time cleanings.

**AM General App Specialist Intern – Auburn Hills, MI** *Intern · July 2025 – Current*

- Built interactive Power BI dashboards to visualize daily ticket data, enabling users to filter by ticket details, track ticket aging, and identify overdue items.
- Collaborated with IT and business users to refine metrics and improve visibility into ticket backlog and SLA performance.

**The Ideal Group Intern – Detroit, MI** *IT & Applications Intern · May 2024 – August 2024*

- Developed Microsoft Power Apps to streamline internal processes and improve ease of use and automation.
- Provided general IT support by setting up workstations, configuring devices, and troubleshooting hardware/software issues.

**Digital Lakes Intern – Detroit, MI** *Tech Micro-Intern · May 2024 – August 2024*

- Rotated through DTE Energy, Piston Automotive, and Health Alliance Plan, gaining exposure to different corporate tech environments.
- Led and contributed to final tech-focused projects for each rotation, presenting solutions and takeaways to supervisors.
